The Story of Beauty Inside and Out

Our Vision:

A world of beautiful human beings inside and out. Beautiful is something you can see, touch and feel. Indeed, all human beings are subject to beauty in their own way. Beauty glows from the confidence within yourself and the spirit may appeal to the whole world.

Our Mission:

Make available skincare, cosmetics and supplements that are with quality, safety and halal.

Since 2014, we have been manufacturing thousands of beauty products for business-to-business service. We offer only expertise in researching and developing the best safest and most effective formulations to meet the beauty demands along with trend of the market from time to time.

In 2019, we are committed to fulfilling our purpose to see the world of beauty in humans inside and out. Hence, the HAUS brand was launched officially in early 2019.

Our Core Values:

Passion - Quality - Care

● Passion

The energy of powerful passion in everything we do, makes us never stop growing and providing only the best products.

● Quality

The secret to being sustainable in the industry, quality is our top priority. Hence, safety and halal are non-negotiable.

● Care

Each one of us is painting the view of our future environment. The Earth is the only fine place and worth fighting for.

Gifts for our future generation, we are committed to using natural resources raw materials, reducing plastic packaging, encouraging recycling programs and banning animal testing. A better world is in our hands.

Join us now for a world of beautiful human beings inside and out!
